

Studio Projects Overview

Most of our students join as beginners and some students stay with us for up to several years. These are the classes we offer:

Buttons – Hand sewing for kids 6-10

Scissors – Hand and machine sewing combo for kids 7-9

Bobbins – Machine sewing for kids 8-12

Irons – Machine sewing for kids 9-12 who have completed 3 Bobbins classes

Tapes - Machine sewing for kids 12-16 who have completed 3 Irons classes

Teens – Machine classes for teens 13-16

Scissors Projects

- Selfie Time

Students work partly on hand sewing and partly on machine sewing. The projects are all felt with pre-marked stitch lines. (Main project is a tote bag)

- Pillows & More

Students work partly on hand sewing and partly on machine sewing. The projects are all felt with pre-marked stitch lines. (Main project is a pillow)

Bobbins Projects

- Personality Pillow
New students will start with the Introductory Felt Pouch to learn the basics of the sewing machine. If they made this project at another class they can make a Sew Happy Needlecase or Pincushion as an alternative introductory project. The project is a “Personality Pillow” and includes sewing with woven cotton, applique and making a pocket.
- Charm Square Apron
The project is a “Charm Square Apron”. Students sew together rows of 5” squares to make apron front, they add a “kangaroo pocket”, a lining and grommets (optional).
- Quilted Tote Bag
Students use EZ strips to make a design on one side of the bag and “Quilt-As-You-Go” to make a pocket on the other side of the bag. The bag has a box bottom and a separate base, and nylon straps

Irons Projects

- Fluffy Llama
- Pajama Pants
- Bunting
- Sewing Machine Cover
