Notes:

1. **We only use felt at Pre-Beginner Sewing class – NO IRON**
2. **Machines are always pre-threaded, we teach students how to thread the machine and wind the bobbin at our Bobbins class**
3. **Straight stitch only, NO DECORATIVE STITCHES**
4. **Slow to medium speed only**

We have these guidelines so that:

1. **It’s the appropriate level for the age of the students**
2. **So the students will come back to do the next level of class with us**
